Breaking Up

FFO: Propagandhi, Strike Anywhere, Pears, Winona Fighter

Breaking Up is a melodic punk band based in Manchester NH. Formed in 2018, they released their debut full length "Living with Joanna" in 2020, and an EP "Heard It All Before" in 2026. They have had songs featured on compilation albums and in an award-winning short horror film (Awakened, 2023).

The band incorporates elements as varied as seven-string mosh riffs, 90's ska-punk, and prog rock's shifting rhythms and unusual instrumentation, all while retaining their fundamental identity as an unabashedly political punk act.
